

Experienced Aesthetician

Our new Dermatology private practice located in the heart of Arlington, VA is expanding! We are seeking an experienced and licensed aesthetician to join our team. The aesthetician should be passionate about healthy skin and excited to pamper clients. We are seeking someone who embraces “going the extra mile” to create an exceptional experience for each patient. The successful candidate will have experience in providing exceptional client service, be a team player, exhibit compassion and confidence, and have the knowledge of aesthetic industry standards and trends.

- Brand new facility decorated with real art and populated with state of the art equipment
- Derm specific electronic medical record system and practice management system
- Established friendly patient base – following doctors from prior practice
- Experienced supporting staff
- Great location – 10 min drive from center of Washington DC, 12 min drive from Georgetown, 15 min drive from DCA airport; located within 5 minute walk of 2 Metro stations
- Situated within walking distance from numerous restaurants and bars, 3 gyms, a mall, several corporate offices, and residential centers

Responsibilities:

- Perform a wide variety of skin care and non-surgical treatments including facials, dermabrasion, dermaplaning, micro-needling, chemical peels, eyebrow and lash tinting, and possibly other procedures that require device use
- Provide skincare consultations for prospective clients and current dermatology patients
- Collaborate with physicians and Practice manager to develop marketing efforts
- Grow clientele through proactive marketing efforts
- Room patients and document patient encounters

Position Qualifications:

- At least 1-2 years' experience performing medical grade facials with extractions and other skincare treatments
- At least 1 year experience performing advanced facial and upper body massage techniques

- Aesthetician license required
- Self-starter interested in carving out new services to a growing practice in a flourishing market
- Must be passionate and willing to promote our brand
- Must have outstanding customer service and problem-solving skills
- Must be confident when recommending products
- Experience with managing social media a plus
- Utmost professional with integrity and strong ethical backbone

Benefits:

- Employee discounts on cosmetic procedures and skincare products
- Flexible schedule

Schedule:

- Part-time with possibility of full-time
- Monday to Friday
- Future Saturday availability may be required
